PETITIONING THE COURT

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 1/2/2025; 1/30/2025; 2/14/2025; and 5/29/2025.

On October 11, 2024, an officer with the U.S. Probation Office in Spokane, Washington, reviewed a copy of the conditions of supervision with Mr. Brand, as outlined in the judgment and sentence. He signed a copy acknowledging the requirements.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

9

Special Condition #1: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On or about May 30, 2025, William Brand allegedly violated special condition number 1 by consuming methamphetamine and marijuana.

On June 3, 2025, the offender reported to the U.S. Probation Office as instructed by this officer. After being notified that he would be subject to random urinalysis testing, Mr. Brand asked if he could instead submit to testing the following day, as he wanted to provide

a negative urine sample before his upcoming Court date. The undersigned probed further and Mr. Brand subsequently admitted to the use of methamphetamine and marijuana on or about May 30, 2025. He signed an admission of use confirming that use.

The U.S. Probation Office respectfully recommends the Court to incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
